AUTUMN CHEERS WITHOUT THE BEERS

FOOD - FAMILY FUN - MUSIC - GAMES- FESTIVITIES & MORE

FREE COMMUNITY EVENT

OcSOBERfest is a free community festival—where the food gets loaded and the crowd stays sober! Add decadent delights to your festival foods - with unlimited sweet and savory toppings, you can layer on the flavor all afternoon.

We're countering the stigma of addiction in our community with good times and a great sense of humor. Join us for a day of autumn-themed activities and incredible entertainment, including a giant-sized inflatable experience, pumpkin painting, face painting interactive performances, and entertainment from DJ Billy Lyve.

This fun-filled, family-friendly event is hosted by the Westminster Rescue Mission, which is home to the Addiction Healing Center, a CARF-accredited long-term residential recovery program, and the Mission Food Program, a distribution partner of the Maryland Food Bank and the largest redistributor of food in Carroll County.
